

In the shadow of the rising sun on Mount Hualālai,  
Majestically she stands above Honokōhau our strength and might.  
Our memories we'll cherish,  
Our future we'll prepare,  
Kealakehe, your name we proudly bear.  
She is our beacon to light our winding path,  
We ride the wave of the future as we look upon our past.  
We are strong! Kealakehe!  
We are proud! Kealakehe!  
Let us raise our anthem loud,  
Kealakehe Hail! All Hail!
