Defend Hawaii Logo

“The familiar tread, tying us, is always ALOHA. **DEFEND HAWAII** simply strives to preserve the notion, to **DEFEND** the Aloha Spirit, the **Hawaii** way of life. Wherever you are, you’re **PROUD** to be from **Hawaii**, representing the culture and it’s essences.

Our AR-15 Logo is often questioned, but a gun is the strongest symbolized statement for the word **DEFEND**. The logo is not meant to provoke violence, but rather figuratively suggest protection by the highest means.”
