

Alma Mater

In the shadow of the rising sun
on Mount Hualalai.
Majestically she stands above Honokohau,
our strength and might.

Our memories we cherish,
our future we prepare,
Kealakehe your name we proudly bear.
She is our beacon to light the winding path,
we ride the wave of the future
as we look upon our past.

We are strong!
We are proud!
Let us raise our anthem loud
Kealakehe Hail,
All Hail!

We are strong!
We are proud!
Let us raise our anthem loud.
Kealakehe Hail.
All Hail!

REPRESENTATIVE NICOLE LOWEN'S BIO:

The Class of 2014 would like to welcome tonight's Keynote Speaker - Hawaii Representative Nicole Lowen. Representative Lowen first became involved in our community when she began working as a teacher and administrator at Hawaii Montessori School in Urban and Regional Planning at the University of Hawaii. In graduate school, Representative Lowen had the opportunity to see our government from the inside while working at the State Legislature. She became a strong advocate for building a better Hawaii by supporting sustainable agriculture, renewable energy policies, opportunities for small businesses, and a more diversified economy. In 2012, Representative Lowen was elected to the Hawaii State House of Representatives. Representative Lowen also serves on the Water- and Land Energy and Environmental Protection Committee, Finance Committee and the Ocean, Marine Resources, and Hawaiian Affairs Committee.

PRINCIPAL'S MESSAGE

Aloha and welcome to the commencement exercises for the Class of 2014. As with every graduating class, there is uniqueness about these young adults as individuals and as a class that will bind them together for the rest of their lives. The Class of 2014 has demonstrated great leadership in helping the WaveRiders to meet high expectations and "raise the bar" for all classes to follow. In the classroom, on the field, and in the community, these graduates have made significant contributions.

I invite all of you to celebrate with me the accomplishments of the class and help me to send off into the world with the best of memories from a great GRADUATION! Have a safe summer and best wishes,
Mr. Wilfred F. Murakami
