

## Skill Test-

1. Create a new document 8 inches by 8 inches  
Create a 5 point star-2 inches by 2 inches--  
Light blue fill with a dark blue stroke

Use the area type tool to put the following words inside of the star--

Kealakehe High School  
Quality Graphics & Media Production  
Student Driven

Center the words and use Helvetica Font Bold-You pick the size

2. Create 2 circles (APPROXIMATELY 3 INCH BY 3 INCH)to surround the star you just made  
both with no fill or stroke

On the top of one circle use the type on a path tool to insert the words:  
WAVERIDER DESIGNS--IN A BLACK COLOR-HELVETICA FONT- APPROXIMATELY SIZE 30 PT

ON THE OTHER CIRCLE -INSERT THE WORDS STUDENT DRIVEN on the bottom of the circle  
Helvetica Font Approximately size 25 font

Put the star and the words inside of the two circles you just made to create your finished logo-  
Create a drop shadow of the main words on the 2 circles
